Prayer Letter - April 2014

I am excited to report that the tract I have written is in from the printer and it turned out better than I had anticipated! We are now working to stuff the envelopes and get the first 1,000 in the mail. It has been exciting to see how many have caught the vision for this outreach project and have taken part in addressing envelopes and providing the postage. Please pray that the Jewish people who will be receiving these in the next few days will read them and respond to us. I am including a response card for them to mail back to us and we have created a special email address for them to use as well. After I receive the responses, I will work to set up times to meet with them. Once I have worked through all the responses we will send out another 1,000. This looks to be a long term project and we appreciate all the help we have received.

April has been another very busy month. My travels have taken me to Louisiana, South Texas, New York, New Jersey, and of course the Metroplex. The Lord blessed in each and every meeting, hearts were moved, lives were changed and souls were won! I was privileged to speak at our home church this month. Pastor asked me to present Christ in the Passover and they concluded the evening with the Lord's Supper. Pastor was pleased to see we had one of the largest Wednesday night crowds in a very long time. I was excited to see that 5 adults came to faith that night! It just doesn't get any better than that!

We held our Bible study's Annual Passover Seder this month. We had a smaller group than last year but still had several attend for the first time. It is always a blessing to see the impact this has on people, whether seeing it for the first time or for the 10th time.

My 2015 Israel Tour is beginning to fill. In the next couple of weeks I anticipate seeing the bus half full. I would love to have you join us on this life changing experience next year. You can read more about it by logging on to <http://events.SignUp4.com/reichmanisrael2015> or you go to our website at www.ahavathmessiah.com and click on our logo in the middle. This will take you to our home page, then click on the link near the bottom of the first column. Please email me if you have any questions.

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible. Please always remember it is by your mercy that they shall obtain mercy! Romans 11:30-31.

In Messiah,

Dr. AlReichman

Ahavath Messiah Ministries Mission Statement

Ahavath Messiah translated from Hebrew means Love Messiah.

The purpose of Ahavath Messiah Ministries is to take the Love of Messiah to Jewish people so that they may come to faith in the Messiah of Israel. Equally as important is the need for us to encourage the believers in the churches to embrace their responsibility to extend their witness of Messiah to Jewish people.

The response is Overwhelming!

Thank you so much to all who addressed and stamped and stuffed the envelopes for the Outreach Project. Also thank you to those who provided stamps. Please pray that God will already be working in the hearts of the recipients!

Did you know that the Law of Return (Aliyah) is legislation enacted by Israel in 1950 which gives all Jewish people including non-Jewish spouses of Jewish people the right to immigrate to and settle in Israel and to obtain citizenship. Since this law was enacted in 1950 2,734,245 Jewish people have immigrated to Israel. The largest number coming from Russia and Ukraine numbering 1,223,723. By contrast a mere 99,406 have come from the United States.
