

Ahavath Messiah Ministries

Prayer Letter - April 2016

Dear Praying Friends,

One of the highlights of my ministry is my annual tour to Israel. This year marks 20 years of making these journeys and they are no less exciting for me today than when I first ever landed in Tel Aviv in 1996. In just one week, we will be embarking on what a trip of a lifetime for our tour members!

Our 2017 tour plans are already set for May 1-11, 2017 and we have a special web page set up just for this tour. You will find a secure registration page and I would urge you not to delay as we already have people signing up for this tour. That web address is <http://www.cvent.com/d/rfqdkj> or you can access that web page through a link on our website at www.ahavathmessiah.com.

With Passover coming late in April, I have been busy doing Messiah in the Passover presentations and banquets 4 to 5 times a week. We also held our Annual Passover Seder for our local Bible study. We had a large number of first timers this year and we are looking forward to several of them joining us on a monthly basis for our regular Bible study. One lady told me afterwards that while she had attended many Passover Seders, she had never attended one that had been presented evangelistically.

We have reached a landmark in our tract ministry. We now have 25,000 "What Will Messiah Look Like" tracts circulating through the Jewish community here in the Metroplex! The thought of this is staggering!! When we launched this outreach I never considered where it might take us and am astounded to see how far we have come in such a short time. The postage alone for 25,000 tracts would come to \$12,500.00 and the cost of printing the tracts and response cards another \$2,500.00. Had I considered this cost before launching this program I may not have been willing to move forward. However, when the Lord led me to do this He also had prepared the hearts of so many to allow this to happen, starting with a Pastor in Oklahoma who led his church to give us the start up funds to get this off the ground and a sweet lady in North Carolina who was the first to approach me volunteering to address and provide postage for the first 100 envelopes. Since then hundreds have volunteered and several churches have given special offerings for the printing of the tracts and for postage. We stand amazed and are humbled!

Michele and I remain grateful for your faithful prayer and financial support! Apart from you our ministry could not be possible! Always remember that it is by your mercy that they shall obtain mercy. Romans 11:30-31.

In Messiah,

Dr. Al
