### *Did you know?*

First launched in Israel in 2011, bus-stop mini-libraries, offering books free of charge, have inspired similar initiatives in other countries.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

*Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to [info@ahavathmessiah.com](mailto:info@ahavathmessiah.com).*

Dear Praying Friends,

Life has been very exciting of late. Michele and I are thrilled to announce the arrival of our second grandchild Charles Martin Taylor on Friday April 21. They are calling him Chip (it's a family thing on the part of our son in law) and he weighed in at a hefty 9 lb 2 oz...our daughter gives birth to huge babies, her first was 9 lb 1 oz, but Korrie herself was a huge baby weighing in at 9 lb 2 oz when she was born. This must be genetics. Chip had a rough start spending his first week in NICU due to secondary apnea, which means he didn't breathe right away and needed artificial inducements to get him to breathe. They did several tests including an MRI on his brain. These were all precautionary and he came away with a clean bill of health. We finally were able to see him on Saturday, a week later. If I can be a proud Zeyde (Yiddish for Grandfather) for a moment, he is a beautiful baby!

In mid May, we leave for our annual Israel tour. I have a group of 35 this year which includes 8 preachers. This may be a dangerous group! Everyone is very excited and I have spent this week getting all my ducks in a row in preparation for the tour. I will be leaving for North Dakota on Saturday to preach in 3 churches and will return home Thursday evening. I will then be flying to Newark, NJ on Sunday afternoon to be ready for our departure on Monday. While I have all of the major bases covered there are always a lot of little details to deal with so it has been a very busy week. I know we will have a wonderful tour and am already making preparations for our May 20-30, 2024 tour and it is not too soon to make your deposit and reserve your spot. There is a lot of interest in next year's tour and seats are limited. You will find the information on our website and you are welcome to contact me with any question you may have. I can promise it will be a life changing event!

Our tract outreach continues to move along. We have now sent our Messiah tract to every Jewish family here in the Metroplex and in the greater Houston metropolitan area and are now sending it to Jewish families in Austin and San Antonio. We have now sent this to a total of 163,000 Jewish families. This outreach could not be possible without all those who are willing to research addresses, address those envelopes and provide all of that postage! Thanks so much for making this possible!

Michele and I remain grateful for your faithful prayer and financial support. Our ministry could not be possible apart from you! Please never forget that it is by your mercy that they shall obtain mercy. Romans 11:30-31.
