Did you know?

Of the 34 parties in Israel's government, 2 of these political parties represent the Palestinian people?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is th eneed to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Dear Praying Friends,

Can you believe that my wife turned down a free trip to Paris? Well, it was Paris, TX, but still. April was an eventful month and the most exciting thing about the month is that our Grandson celebrated his 1st Birthday on the 21st! Everything else in April seems to pale in comparison!

With Passover being in April I had been doing a lot of Christ In The Passover presentations. The very first time I had ever presented this was in a Mission Conference in March of 1984, which means I have been doing this one presentation for 40 years. What keeps this fresh for me is not just how it marries the testaments together and clearly shows that there never has been another plan in the heart of God for the salvation of mankind, but watching those in attendance and seeing the lights coming on. I have watched as Pastors stood before their people weeping as they invited their people to the altar at the close of the service. I have watched as Jewish people see the true meaning of Passover and come to faith in Jesus as their Messiah. Everything about these Passover presentations is very special and the Lord keeps using them in wonderful ways everywhere I go.

I have heard from the tour company in Jerusalem and now have the land portion of the tour all set, including the cost for this portion of next year's tour. I am waiting for the airline to price the airfare which should be in July and then I can provide everyone with the cost for the tour. The dates are April 28- May 8, 2025 which gives us whole year for Israel to bring this war with Hamas to an end. I fully believe it will be long over by then and we will enjoy a wonderful, life changing experience in Israel. I want to encourage you to make plans now to be part of this very special tour. Please feel free to contact me with any and all questions you may have.

We have reached another milestone with our tract outreach. We have now sent my tract to 181,000 Jewish families! It is very exciting to see so many in every church volunteering to address the envelopes and provide the postage. Considering the postage cost alone comes to more than \$90,000 thus far, it is no exaggeration to say that we could not accomplish this without the help of all these volunteers and we couldn't be more thankful!

Michele and I remain grateful for your faithful prayer and financial support! Apart from you our ministry could not be possible. Please always remember it is by your mercy that they shall obtain mercy. Romans 11:30-31.
