## *Prayer Letter - February 2014*

For a short month, February packed in a lot! My travels took me to the Carolinas, where I preached a Revival Meeting along with meetings in two other churches. I then flew home and the same day headed to Austin to connect with some pastors at a Fellowship Meeting before heading to South Texas to preach a Missions Conference. I wound up in Houston to finish the month. The Lord blessed in both the Revival Meeting, as well as the Mission Conference. In every meeting souls were challenged and hearts opened to the will of God for their lives!

In one meeting I did a Messiah in the Passover Banquet. There was an elderly Jewish man who came with his wife. He tried to act like he was not listening, whenever he would see me looking in his direction he would turn his head in the other direction, but I was able to catch him listening. It was a lot for him to process as I gave him much to think about. Please keep this man in your prayers.

This was also a month for maintenance. Our car has been in the shop for three weeks getting some engine work done. The first two weeks it sat waiting for the extended warranty representative to show up to inspect and approve the work. Fortunately the Dealership took pity on us and provided us with a car to use while they complete the work on ours. In addition to this, my laptop had been acting up and wound up at Geek Squad. They seem to have done a good job as it appears to be working as good as new. They did warn me that it is on it's last leg and I will need to look seriously at replacing it.

We have been experiencing an unintended blessing regarding the outreach project we are working on. I was telling of this project in a church recently and following the service a lady approached me with her email address. She told me if I would send her 100 names and addresses that she would hand address the envelopes, put postage on them and mail them to me for us to send out. I was in another church meeting later in the month and spoke of this project, another lady made the same offer. What a blessing! Not only will the postage be taken care of for 200 of these tracts to be mailed, but Michele will be relieved of hand addressing 200 envelopes! How exciting to see the Lord provide in ways we never anticipated! We also had a church and an individual give a substantial gift toward this project as well. Please keep this project in your prayers as I am convinced the Lord will use it in a wonderful way!

The month closed with our daughter Korrie's birthday on the 28th. I was able to get home in time to celebrate her 24th Birthday! Michele and I could not be more proud of her but neither of us can figure out how she snuck off and grew up on us! Just yesterday we held her in our arms as we brought her home from the hospital and now she is a grown woman. Where did the time go?

Michele and I remain grateful for your faithful financial and prayer support! Apart from you our ministry could not be possible. Please always remember that it is by your mercy they shall obtain mercy! Romans 11:30-31.

## Ahavath Messiah Ministries Mission Statement

Ahavath Messiah translated from Hebrew means Love Messiah.

The purpose of Ahavath Messiah Ministries is to take the Love of Messiah to Jewish people so that they may come to faith in the Messiah of Israel. Equally as important is the need for us to encourage the believers in the churches to embrace their responsibility to extend their witness of Messiah to Jewish people.

### Praises & Prayer Requests:

Michele has finished phase 1 of our data base set up and has added 3,483 churches so far. Please pray for her as she adds more in the upcoming weeks. Praise the Lord for the volunteer who is helping too.

Our mailing project is getting off the ground. We need your help! If you have a Jewish friend who lives in the Dallas/Fort Worth area, please let us know so we can include them in our evangelistic mailing.

Praise the Lord also for the many who have volunteered to address and mail batches of the tracts!

Did you know that the Jewish population in Israel makes up 75.1% of the country's population while the Arab population makes up 20.7%? The remaining population is made up of what is termed "all others" (non-Jewish and non-Arab European, Asian, etc.) and makes up 4.2%.
