### DID YOU KNOW?

More than 100 battles have been fought for control of Jerusalem over the course of its history.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to [info@ahavathmessiah.com](mailto:info@ahavathmessiah.com).

Dear Praying Friends,

I have 25 nephews and nieces (including spouses) and more great nephews and nieces than I can count. Each one means the world to me! When I am preaching anywhere close to them I do my best to get together with as many as possible. Last Fall I was preaching in Kansas City, MO and was able to have lunch with my nephew Don, his wife April, and my nieces Chrissy and Leslie. We spent hours at the table in the restaurant telling old stories and just catching up. It was wonderful and I am so glad we took the time! I never considered how this would be the last time I would have with Chrissy. The Lord saw fit to take her home last week. It was sudden and unexpected. She was just 13 days shy of her 47<sup>th</sup> birthday. I will miss her funny posts on Facebook, her texts wishing me a happy birthday or a Merry Christmas and her telling me she loves me. Just a few days before her passing she had me rolling on the floor with her comment to my response to something her sister had posted.

Shocked as I am at her sudden passing last week, and as much as I will miss her, I know Chrissy is with the Lord and I shall see her again one day soon! James writes..."Life is but as a vapor. It appears for a little while then vanished away." Chrissy vanished far too soon!

Michele and I were able to go to Independence, MO for her funeral. It was amazing to see the lives she had touched. The church was full of people from all over her city and from all walks of life. Even the Mayor attended the services. Chrissy gave her life to serve and she looked for every opportunity to do just that. In so doing, she modeled Christ to everyone and made a lasting impact.

Michele and I remain grateful for your faithful prayers. It is at times like these that you mean the most to us! You certainly keep us going in more ways than you can know!

In Messiah, *Dr. Al Reichman*
