Did you know?

Developed by Major Uzi Gaf, more than 10 million Uzi machine guns have been built since 1948.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

The weather forced me to cancel two Wednesday night church meetings. Unfortunately, I found myself covered up in an ice storm which stretched all the way to Detroit to Cleveland making it impossible to get to my meeting. Then the following week I needed to drive up to Prescott, Arizona for Wednesday night. Prescott is in the mountains just under 6,000 feet elevation and was hit with 16 inches of snow on Wednesday, once again making it impossible for me to get to my meeting. In the 27 years we have been doing this ministry this is a first! Thankfully both Pastors fully understood and have already rescheduled these meetings.

Our tract outreach continues to garner very strong reactions. We recently received a response from one man who insists that if we ever mail him anything else he will consider it harassment and will file a lawsuit against us. This type of reaction always amazes me in light of the fact that in my tract I use no New Testament references, nor do I mention the name Jesus. I simply urge my people to search the Hebrew Scriptures and see what the prophets declare about Messiah. I can only conclude that the harsher the reaction, the more the Holy Spirit must be working and causes me to pray that much more this individual.

A few weeks ago Michele missed the last step coming down stairs and rolled her foot from toe to heel. We took her to an Orthopedist who took an X-ray and assured us she had not broken any bones but she had torn a tendon. They put her in one of those very stylish boots, gave her some meds and set her up with physical therapy. Thankfully she has made progress but is still in considerable pain. Please keep her in your prayers that she will allow herself the time to fully recover and literally get back on her feet.

Our 2023 Israel Tour is now closed and we are taking deposits for 2024. Next year Passover comes late so we have to push our tour deeper into May. I am currently working with dates of May 20-30, 2024. We will not have the pricing finalized until the airline prices the airfare and they will not do so until probably July. However, it is not too soon to make your deposit and reserve your spot. I already have 8 people who have done so. Please go to our website at www.ahavathmessiah.com to make your deposit and register for this tour. I can promise it will be the trip of a life time!

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible. Please always remember that it is by your mercy that they shall obtain mercy. Romans 11:30-31.
