

Here's January's Prayer Letter 2014

Dear Praying Friends,

January started out slow but it gave me a chance to stick close to home and get a lot of work done. My church meetings kept me in Texas; I still traveled hundreds of miles, from East Texas to South Texas, on to West Texas and back to the Metroplex. The Lord blessed in each of these meetings and many decisions were seen, along with many opening their hearts to the need of taking the gospel to Jewish people.

Being home more than normal I had time to work on writing the track needed for my outreach project. I have it nearly finished but it needs some polishing. As I began the research for this tract,

***Ahavath Messiah
Ministries Mission
Statement:***

Ahavath Messiah translated from Hebrew means Love Messiah. The purpose of Ahavath Messiah Ministries is to take the Love of Messiah to Jewish people so that they may come to faith in the Messiah of Israel. Equally as important is the need for us to encourage the believers in the churches to embrace their responsibility to extend their witness of Messiah to Jewish people.

which will be on the topic of what Messiah will look like, citing passages from the Old Testament of Messianic prophecies and their fulfillment in Jesus as found in the New Testament, I quickly found that I had enough to write more than one book on the topic. I was forced to severely limit the scope, which meant I needed to basically re-write it. I believe I am on track now and will have it finished very soon. Once I have it completed I will then send it off to a designer and printer. I may have located a printer who will give us a special price for this and print them inexpensively. Once we have them in hand we will address the envelopes and wait for the funding to mail them. I am anxious to see this outreach under way. I know it will provide wonderful opportunities for me to develop a rapport with Jewish people here in the Metroplex and open doors to witness.

Please continue to keep this in your prayers. Any help you can give toward defraying the cost involved would be more than appreciated!

We received some special gifts toward the purchase of the software program we told you about and we were able to purchase it last month. Michele is working very hard to input all the necessary data and then she will need to program it to accomplish the specific tasks she will need it to perform. Once she is done, her job will be much easier since she is doing everything the old fashioned way without computer support at all. We are excited to see this taking shape!

My Annual Israel Tour dates are April 27-May 7, 2015. For the first time I am making a special offer to Pastors. Please contact me for the details. We have a Registration website set up to assist you. You can access this site either through the link on Ahavath Messiah.com or directly by

We were able to purchase the software Michele needs to manage our database! Thank you for all who contributed.

Did you know that before the outbreak of World War II, more than 3.3 million Jews lived in Poland, the largest Jewish population of Europe and second largest Jewish community in the world? Poland served as the center for Jewish culture and a diverse population of Jews from all over Europe sought refuge there, contributing to a wide variety of religious and cultural groups. Barely 11% of Poland's Jews - 369,000 people - survived the war. Today, approximately 3,200 Jews remain in Poland.
