Did you know?

About 93 percent of Israeli homes use solar energy for water heating, the highest percentage in the world.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Dear Praying Friends,

Time just keeps marching on! It is difficult to believe that we have already spent one month of the new year. It is even more difficult to believe that Michele and I are now in our 28th year as Jewish Missionaries and more than 10 ½ years since launching Ahavath. The years since the Lord led us to leave the pastorate and become Jewish missionaries have been very exciting and we have witnessed the Lord bless our efforts in every possible way. At this time of year, I am always moved to look back on the past year and always amazed to see how the Lord has used us! My calendar remained full for 2023 and we saw altars full every where I went. We saw several thousands at the altars, many getting saved and many committing themselves to providing a gospel witness to Jewish people.

Our tract outreach continues to flourish. Thanks to the many in the churches who have volunteered to address envelopes and provide postage we have now mailed my What Will Messiah Look Like tract to 176,000 Jewish families here in Texas, including the entire Dallas/Ft. Worth Metroplex, the entire Houston Metropolitan area and now working on Austin and San Antonio. Our Annual Israel Tours are having a strong impact on everyone who joins these tours which gives them a greater love and burden for Israel and the Jewish people.

The current war in Israel has caused us to push our dates to 2025. I was certain this war would have been over by now but it seems we will just have to wait patiently and pray more fervently for this war to be resolved in a way which will eliminate Hamas as an ongoing threat and bring a lasting peace to both Israel and to the Palestinian people. Our new dates are set for April 28-May 8, 2025. I will not have a price finalized until the airline prices their portion which will not be until June or July. You can go to our website for more information.

Michele and I are grateful for the ministry God has given us. We are grateful for giving us good health in order to maintain the hectic routine of this ministry and we remain grateful for blessing us with so many who faithfully pray for us and financially support our ministry. We know our ministry could never be possible apart from you! Please always remember that it is by your mercy that they shall obtain mercy. Romans 11:30-31.

In Messiah, Dr. AL Reichman
