### *Did you know?*

Hebrew is the only language in the world that has been revived from extinction, spoken by over 9 million people across the world.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

*Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to [info@ahavathmessiah.com](mailto:info@ahavathmessiah.com).*

Dear Praying Friends,

This time of year is always an exciting and eventful time for us. At the end of June Michele and I celebrated our 45<sup>th</sup> wedding anniversary June 29<sup>th</sup>. By today's standards I had no right to ask her to marry me. I was still in college and no promise of any church position and no means to support her. Thankfully Michele followed her heart and together we have had quite the journey as we have loved, lived, laughed, cried and clung to one another as we followed the Lord wherever He chose to lead us, whether it was in youth ministry, pastoring or Jewish ministry. In those early days as a Youth Pastor I made so very little that we had just \$7.00 a week for groceries until to this day where we have our own outreach ministry to Jewish people Michele has been there by my side, my partner in life and ministry! I am so very happy she said yes 45 years ago! I cannot imagine life without her by my side and sometimes behind me giving me a swift kick when I've needed it!

July 1 we then celebrated the 11<sup>th</sup> anniversary of Ahavath Messiah Ministries. July 1, 2013 The Lord pushed us out of our comfort zone and we fearfully launched Ahavath. I had fought doing this for many years but once I made this decision we saw God's hand consistently confirming our being in the center of His will. We are blessed as God honors our efforts, whether in our outreach to Jewish people or our inreach to believers in the churches, transferring my burden to your hearts and giving you tools to have an effective witness to the Jewish people God will bring into your lives.

On July 7 we celebrated my entering my 8<sup>th</sup> decade. Now that I am 70 some expect me to slow down, but it doesn't look like that is soon to happen. Doors continue to open for our ministry in the churches as well as opportunities to deal with Jewish people one on one. There was a day when I thought 70 was ancient but from here it just doesn't seem to be all that bad! It is my intention that as long as God gives me strength, good health and a sound mind I will continue to serve Him with all I have!

The one thing which seems to be on hold is our annual Israel Tour. This war in Israel continues to drag on making it difficult for people to sign up. We do want to see this war come to an end! We want to see Hamas and Hezbollah completely done away with. We want to see the pain and devastation they bring to the lives of both Israelis and Palestinians brought to an end! Please pray for this war to be resolved very soon!

Michele and I remain grateful for your faithful prayer and financial support! Apart from you our ministry could not be possible. Please always remember that it is by your mercy they shall obtain mercy. Romans 11:30-31
