Did you know?

Last Valentine's Day, 60 million Israeli flowers were exported to Europe for sale?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

*Praise Report!
Since 2014, we have mailed 128,000 tracts to Jewish homes in the Metroplex. This is possible because of our 1500+ volunteers! To God be the glory!*

This time of year is always a very special time for us with many eventful things packed in to a few short days. The 29th of June Michele and I celebrated our 41st anniversary. As normal, I was returning home from preaching but we did have time to stop on our way home for a very nice dinner to celebrate. On July 1st we celebrated Ahavath's 7th anniversary, followed by my birthday on the 7th and then Michele's birthday August 2nd.

It is difficult to imagine that 7 years has passed since Michele and I stepped out by faith and launched Ahavath. We had no promise of support and an empty calendar. We always marvel at how The Lord filled both. In 2014 we launched our tract outreach to the Jewish people here in the Metroplex. Lacking a defined Jewish community here, it became necessary to devise a way to encourage the Jewish people to come to me. Thanks to hundreds of volunteers all across the country who address the envelopes and provide the postage along with many in our home church who stuff and seal the envelopes, we have mailed our tract to 128,000 Jewish homes all across the Metroplex. We can only speculate how many people reside in each home but this speaks of a very large Jewish community which goes largely unnoticed and is neglected where the gospel is concerned. We are very excited about being able to reach so many homes and the opportunities to develop a witness among those who respond. The added hidden blessing is hearing our volunteers tell us how they pray for each family by name as they address the envelopes and then keep their lists and pray regularly for these Jewish families.

Our annual Israel tour, though hampered by the coronavirus is still on track. Due to the virus, we had to move it from April of this year to January of next year. We also have our 2021 tour scheduled for the Spring. All the information is on our website,

www.ahavathmessiah.com. There you find a secure registration page allowing you to sign up and reserve your seat. It is not too soon as we already are seeing people making their deposit. As seats are limited, I would encourage you to reserve yours as soon as possible so you will not miss out on what I can promise will be the trip of a lifetime!

Michele and I remain grateful for your continued faithful prayer and financial support. Apart from you our ministry could not be possible. Please never forget, it is by your mercy that they shall obtain mercy. Romans 11:30-31.
