

# *Abavath Messiah Ministries*

## *Prayer Letter - March 2016*

Dear Praying Friends,

March is always a busy month. I started out preaching a Revival Meeting in Odessa, TX, then on to Idaho, East Texas, Arkansas and Missouri. Each service was special and many souls have been affected for the glory of the Lord.

This time of the year I do Christ in the Passover several times a week. I have been doing this presentation for 32 years and it always becomes fresh for me once I see the impact it has on those attending. I presented it 4 times just this past week and will be presenting it again this Sunday evening. The message marries the testaments together as it shows Jesus so clearly identified throughout every aspect of the feast. It is a powerful witness to Jewish people and it is not uncommon for Jewish people to come to faith having witnessed this.

We have sent another mailing of our tract which means we now have 23,000 of these circulating through the Jewish community here in the Dallas/Ft. Worth Metroplex. Please keep this effort in your prayers that those receiving it will read it and respond to us so we may develop an opportunity to share with them the good news of who Messiah is!

My annual Israel tour is just a few short weeks away. I have a small group this year but we anticipate a wonderful trip! Next year our tour is scheduled for May 1-11, 2017. I already have some very strong interest in that tour and would encourage you to reserve your spot as soon as possible. You can log on here for more information. Please feel free to contact me with any and all questions you may have.

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible! Please always remember, "It is by your mercy that they will obtain mercy," Romans 11:30-31.

In Messiah,

Dr. Al

## Ahavath Messiah Ministries Mission Statement

Ahavath Messiah translated from Hebrew means Love Messiah.

The purpose of Ahavath Messiah Ministries is to take the Love of Messiah to Jewish people so that they may come to faith in the Messiah of Israel. Equally as important is the need for us to encourage the believers in the churches to embrace their responsibility to extend their witness of Messiah to Jewish people.

The trip of a lifetime...come spend 11 days with us in the Holy Land. Your Bible will never read the same after traversing Israel. Join us on this life changing experience. Click here to register. We have a secure Registration Page which will allow you to reserve your seat online. I would encourage you to register as soon as possible!

OUTREACH MAILING Update: We've mailed 23,000 with the help of 395+ volunteers. Please pray for those who receive the news of Messiah.

"I was blessed to watch your video explaining the traditional Passover Seder. I was raised by a Orthodox Jewish Father and a Catholic Mother (who have been divorced for many years). We celebrated every holiday but were never taught what anything meant. As God moved in all of our lives, my mother, sisters and I have all come to know Christ as our Savior but unfortunately that left our father who we have not seen or talked to in over 12 years. While watching your video, I felt God tugging on my heart and would love to send this video to my father with hope that we can reconcile over some biblical conversation. Despite not seeing him for many years, I have been praying for his Salvation. Thank you sharing your faith and knowledge. We know that God works in mysterious ways and I'm praying that this could be a huge answer to prayer. God Bless you!" J.O.

### Quick Fact

Israel is ranked #2 in the world for venture capital funds right behind the United States?
