### Did you know?

Israel has more Nobel Prizes per capita than the United States, France and Germany. It also has more laureates, in real numbers, than India, Spain and China.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

### Dear Praying Friends,

We are well into the Passover season. This is an odd year as this year the Resurrection (Easter) comes a month before the Crucifixion (Passover). This happens from time to time and is the result of Constantine "Christianizing" his empire, bringing persecution on all who did not comply and caused the non-Jewish believers to sever from worshipping with the Jewish believers. They pledged their allegiance to Constantine and the first thing they did was to change the observance of Passover to align with the pagan observance of Ishtar, the Babylonian goddess of fertility, thus moving to the Gregorian calendar (a solar calendar) and away from the Jewish calendar (a lunar calendar). At any rate, I tend to keep extremely busy this time of year presenting Christ In The Passover in several churches a week. Last week I presented this in 5 churches in 7 days in 5 cities and in 2 states. A man brought his Jewish friend to one of the churches. We spoke prior to the service and I thought had built a rapport. He was from Philadelphia and I am from Detroit, and found a common bond coming from similar environments. They sat on the front row, he stayed for the entire service, listened, but did not appear to be the least bit happy. When I began the invitation and had everyone stand, he all but ran down the middle aisle and could not get out of there fast enough! I spoke with his friend and felt like apologizing. He told me that his friend was pretty upset and told him that he did not come to be preached at. He assured me that he had heard the truth and they always spent a lot of time talking, so he was sure this would not be the end of it. Please keep this Jewish man in your prayers as they discuss the truths he heard that night.

I have had some limited contact with the tour company in Israel that I work with for my tours. It is a bit of a waiting game as most are on the front lines as this war presses on. They did tell me that they are beginning to see tours on a limited basis and believe things will return to normal before long. This is great to hear! Our next tour is scheduled for April 28-May 8, 2024. I will not have pricing finalized until the tour company can secure the remaining 2 hotels we use and set the land portion. We also need to wait for the airline to set the airfare which will not be until probably July. I can give you a ballpark figure based on what the cost would have been for this year. I would love to have you join us! I can promise it will be the trip of a life time! You can go to our website and find details and make your deposit using PayPal.

Michele and I remain grateful for your faithful prayer and financial support! Apart from you our ministry could not be possible. Please always remember it is by your mercy that they shall obtain mercy. Romans 11:30-31.
