### Did you know?

Haifa, Israel has one of the smallest subway systems in the world with a 1.8-km track and only four carriages.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

*Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to [info@ahavathmessiah.com](mailto:info@ahavathmessiah.com).*

### Dear Praying Friends,

Jewish ministry these days can be a definite challenge in this time of such advanced antisemitism and can put one at risk. I spoke with the Pastor of the church I was speaking for and he informed me that he had advertised the meeting and he received quite a number of strong, hate filled threats from people who were not members of his church. Some were so over the top that he deleted them and then blocked the person from their Facebook. I have had similar reactions on smaller levels since this war broke out on October 7, but nothing this degree. The Pastor advised me of the situation and of the security measures he was taking. This church is only about 90 minutes from Manhattan, NY which is the epicenter of all these protests so these threats had to be taken seriously. I put out a prayer request on Facebook and many responded assuring me they were praying. I am happy to report that the service went off without incident! I believe this was not just due to the security measures but more to the army of prayer warriors!

We are moving forward with our 2025 Israel Tour plans. The dates are April 28-May 8, 2025. Israel continues to press forward in her campaign against Hamas in Gaza and I believe that they will have completed this war long before next April. We will have a wonderful experience! Please consider joining us for the trip of a lifetime!

Our tract outreach continues to move forward. Please keep this effort in your prayers. We tend to have difficulty finding value in something in which we cannot measure results. This is known as performance-based success. However, we can never measure the result of this type of effort nor should we. We do this because we are commanded by God to do so. Ezekeil 33 simply commands us to warn the Jewish people as from Him...then God tells us that by not warning them they will perish in their sin and their blood will be required at our hands. Our responsibility is to warn them, not to warn them only if they will agree with our message, but to warn them! We cannot make the decision for them but we must give them something which brings them to that decision! At present we have mailed this tract to 184,000 Jewish families. If there are but 4 people in each family then 736,000 Jewish people have been touched by this effort. While we cannot say what the results are, one waters but God gives the increase...and so we press on.

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible! Please always remember, it is by your mercy that they shall obtain mercy. Romans 11:30-31.
