Did you know?

Israel is the home
to the lowest
point on Earth~
The Dead Sea

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Things in Israel continue to be of great concern. Israel is methodically moving along with their ground war essentially leaving nothing in their wake. The focus remains eradicating Hamas, and please keep in mind, this war is with Hamas and not the Palestinians. The protests we see, many led by members of our own Congress, tend to mislead people by equating Hamas with the Palestinian people. We can have sympathy for the Palestinians but in no way can we sympathize with the hateful terrorist organization known as Hamas, whose only purpose for existing is to destroy Israel, remove Israel from the Earth and kill as many Jewish people in the process as possible. Hamas does not speak for nor does it represent the Palestinian people. It is important to remember that while all Hamas are Palestinian, not all Palestinians are Hamas. Accordingly, while we can and must pray for the Palestinian people, who are caught in the middle of this war, but our sympathies cannot move to these terrorists known as Hamas!

I am still confident that Israel will deal with Hamas once and for all. Netanyahu is more focused and determined than I have ever seen. He has well said that Israel must win because she has no other place to go! Therefore, while a cease-fire sounds inviting, it would only embolden Hamas who would never abide by it. A cease fire would be very one sided which is why Netanyahu asserts that if Israel lays down her weapons she will cease to exist. This is what drives Israel today during this war. Please pray the hand of the Lord will be upon Israel as they seek to put an end to this terrorist group and making the world a safer place!

Our 2024 Israel tour is obviously on hold until this war is concluded. I still think there is the possibility we will be able to go as planned next May. Netanyahu said this will take months not weeks, which means months not years. This will not be another Afghanistan or Ukraine. However, should it linger on longer, rather than canceling the tour, we will merely push the dates forward until we are able to go. This is what I did during Covid and the 37 people who had signed up remained patient and flexible and were rewarded with a wonderful tour of Israel! By the way, going to Israel following something like this is the safest time to go. Security is never greater! I do have open seats so if you are interested and can be flexible then please contact me so we can reserve your seat. You can also go to our website to make your deposit. I can promise that once this war is over and tourism begins again, we will enjoy the trip of a lifetime! I would love for you to join us!

We were able to spend some very special time with our granddaughter the week of Thanksgiving. She will be 3 in January and is growing so fast! Michele spent time teaching Bridget how to bake. She made matching aprons for the two of them and Bridget could not have been more excited! She refused to take it off and wore it most of the week, everywhere we went! We will have her again the week before Christmas and are already planning to spoil her as much as possible! Her little brother, CHIP is but 7 months old so it will be a while before we will be able to have him stay with us. I am looking forward to both coming to Gramma and Zeyde's house!

Michele and I remain grateful for your faithful prayer and financial support! We know that apart from you our ministry could not be possible. Please always remember that it is by your mercy, they shall obtain mercy! Romans 11:30-31
