Did you know?

A cooking oil developed in Israel is capable of breaking up cholesterol and other blood fats.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Michele went to her elbow specialist today and he told her she was completely healed! He stopped short of telling her she was doing well for a woman her age. In addition, Michele's physical therapist graduated her last week, so she no longer requires further PT. We are happy with this great report and thankful for your prayers on Michele's behalf!

October was another very busy month...from Illinois to Georgia to Minnesota to New Mexico to Colorado. Many times, people come to me overwhelmed having learned things they never had before considered. One by one these very faithful believers are being challenged to learn how to be an effective witness to the Jewish people they come in contact with. This is what keeps us schlepping across the country preaching! My greatest desire is to transfer the burden of my heart to your hearts. The task is greater than we are! We cannot possibly be everywhere at once. Therefore, the more we see the Lord capturing the hearts of Pastors and church members for the task, the greater potential my people will have of receiving a credible gospel witness!

Our tract outreach continues to move forward. As you know, we have sent our tract to every Jewish family in the Metroplex and are now sending it to Jewish homes in Houston. Two of the responses last month were as follows: "To the Reichmans: You are sadly misguided;" and "Please remove me from your mailing list. I died 20 years ago." When we receive these types of responses, we know the Word was read! Please pray we will see many returning the response card, giving us the opportunity to build that witness.

Our beleaguered Israel Tour is still slated for April, 2022. I have just received an email from El Al Airlines requesting my passenger list so they can move forward with assigning seats. This bodes well for our tour. I am praying that Israel will allow tourism to continue and not feel compelled to lock the state down again. I do have a few seats that have opened up, so please contact me if you would like to join us next year on what I know will be the trip of a lifetime!

Michele and I remain grateful for your faithful prayer and financial support. We know that apart from you our ministry could not be possible! Please never forget, it is by your mercy they shall obtain mercy. Romans 11:30-31.

In Messiah, *Dr. Al Reichman*
