### *Did you know?*

Two Israelis at Tel Aviv University invented an "Anti-Date Rape Straw" which detects the two most common date rape drugs placed in drinks and alerts intended victims.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

*Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to [info@ahavathmessiah.com](mailto:info@ahavathmessiah.com).*

Dear Praying Friends,

I'm often asked if I get tired of my preaching schedule. Preaching in 100 churches a year for the last 27 years I must say that I do tend to get tired in it but never of it. I quite often preach in churches which have very few people, sometimes 15-20 people and often in more remote areas. I enjoy these churches and find the Lord doing great things in these meetings. I was recently in one such church for the first time and the Lord reminded me why I do this. I was preaching an extended meeting. After the service Wednesday night a young teenage girl stuck a note in my hand and quietly walked away. I waited until I was back in the hotel room. While on the phone with Michele I opened the note and began to weep as I read it. This young lady told me that my preaching this week had led her to Jesus and that I was truly a blessing. The next day on the way to the airport I showed the note to the Pastor. The next day he texted me to tell me that in addition to her, 2 of her sisters also got saved. No question, this is why I do this! This is what keeps me moving forward!

Michele is now fully recovered from her cataract surgeries. Her eyesight is better than ever as they not only dealt with the cataracts but also removed her astigmatism and with that corrected her depth perception problem. The only downside seems to be that now when she looks at me I can tell she can see that I am no longer that ruggedly handsome hunk she fell in love with more than 44 years ago. Oh well, guess you have to take the good with the bad.

Our 2024 Israel Tour will be an exciting time. These tours are a very important part of our ministry and not just to provide you with an exotic vacation. The 11-day tour will impact your lives in many ways. The things I will be able to teach you will make your Bible come to life and the burden you will come home with for the Jewish people and their need of the Messiah will be transformational! In short, these tours allow me to transfer the burden of my heart to your hearts for my people! Please consider joining our 2024 tour. We still have seats available but they are going fast so please let me hear from you as soon as possible!

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible. Please always remember that it is by your mercy that they shall obtain mercy. Romans 11:30-31.
