Did you know?

Israel is bordered
by snowy peaks
at one end and a
desert beach on
the other?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

This year the Jewish and the Gregorian calendars placed Passover on Wednesday night and Easter on Sunday. Last year the Resurrection was a full month before the crucifixion. With the calendars aligning as they have this year this is a unique way that actually lays out the chronology of events in the proper biblical order. Messiah observed Passover on Wednesday night along with all of Israel; was crucified on Thursday and rose from the tomb early Sunday morning. This chronology is the only one which allows for Jesus' own declaration that He would be 3 days and 3 nights in the heart of the earth and then rise again.

Passover/Easter season always keeps me very busy. I was privileged to speak 17 times in 11 churches in April. My travels took me from the Metroplex to Pennsylvania to North Dakota and finishing up in Louisiana. While most of these meetings were Christ in the Passover demonstrations, one church in North Dakota requested prophecy messages. This proved to be a very interesting meeting! On one day for lunch the Pastor and I met with a young lady who is a Jewish believer who was anxious to meet because she had many questions about how to approach her Jewish friends with the gospel. I was more than happy to have the opportunity to teach her some things that will be helpful and prayerfully reap eternal results!

I spoke in this same church Monday through Wednesday nights. The pastor wanted me to speak on prophecy. This town has a large Catholic and Lutheran presence but very few Baptist churches. Consequently, he has many adhering to a post-millennial position. By the end of the meeting, many expressed how they had never had the pre-trib position broken down as I had done, they understood it better than ever before, and it made better sense to them. One afternoon at lunch the pastor told me he received a phone call that morning from the wife of a couple that had been visiting for quite some time. She told him that her husband told her that he had never understood the urgency of imminency before. Because of this he saw his eternal soul hanging in the balance and decided he needed to get saved before that trumpet sounded. She was so excited that she couldn't wait to let us know!

Our 2027 Israel tour is on track for June 14-24, 2027. The hostilities are ending in Israel, ELAL Airlines has resumed flights into Tel Aviv again and tour groups are flocking back! All signs look promising for us to enjoy a wonderful time next year in Israel and I would love for you to be part of it! Please contact me at drwanderingjew@aol.com for details.

Michele and I remain grateful for your faithful prayer and financial support!
