Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Dear Praying Friends,

The end of June Michele and I celebrated our 47th wedding anniversary. At my ordination when asked to give a testimony, Michele stood and said "I was saved when I was 12 and will follow Al wherever the Lord leads him." Looking back the journey has definitely proven more than she may have bargained for but through it all Michele has remained faithful to both the Lord as well as to me. She has been at my side every step of the way...except of course for those times when she found herself behind me giving me a swift kick in the seat of the pants! You may not be aware but Jewish people can be mired in tradition and slow to launch out into the deep. That swift kick was the necessary nudge I needed to follow an often less traditional path the Lord wanted me to pursue. I cannot be more thankful for her and could not imagine the last 47 years without her!

June also marks the anniversary of Ahavath Messiah Ministries. In June, 2013 the Lord pushed me from my comfort zone to start Ahavath. Looking back, I am amazed at how the Lord has used us since establishing this ministry. The tract which I wrote revealing Messiah from the Hebrew Scriptures has been sent to 211,000 Jewish families so far. If each family has 3 children (which is a very small Jewish family) that means this tract has touched 1,055,000 Jewish people at the minimum! Only eternity will tell the full impact of this outreach!

Some of this excitement is tempered with the home going of my niece, Lisa. On June 22nd Lisa lost her 15 month battle with brain cancer. It was an unending vicious cycle of surgery followed by physical therapy followed by a couple of weeks home then back to the hospital for another surgery. Each time they pronounced her cancer free, only for it return again and again. Throughout this ordeal, Lisa's love for the Lord never wavered! She was a constant witness to those who cared for her. Mercifully, she was ushered into the presence of her Lord and Savior and reunited with her mom (my sister), her grandmother, her aunt and uncle and her cousin. We went to Michigan for the funeral and were blessed to hear from all who had been touched by her life! Lisa will be missed, but we know we will see her again!

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible! Please always remember that it is by your mercy, they shall obtain mercy. Romans 11:30-31.
