Did you know?

Israel has the highest number of altruistic kidney donations per capita in the world: 1005 in the past 11 years and counting!

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

March turned out to be a very special month for me. It started in the south suburbs of Chicago preaching in a church where Michele and I have deep roots and many long time friends. Then on to Roswell, NM to a church that we had a very strong relationship with while pastoring in this same city at the beginning of our ministry. I preached at a church in Canton, MI which felt like I had returned home with so many having roots in my home church in Detroit from back in the 60s and 70s. Then after a trip to Florida where I preached in several churches, as well as a chapel service at a local Bible College, then finishing up the month back in Ft Worth preaching in our home church. From one week to the next it was like old home week, renewing old friendships, enjoying the trips down memory lane, catching up with old friends and even meeting their kids and grandkids. Though this has never happened like this in the 30 years we've been doing this ministry, I must say, it was such a time of refreshing and a wonderful experience!

The Chapel service in the Bible College was a special treat. I was able to have an impact on these young students in an area of ministry so seldom thought of in their preparation for ministry. I was able to open their hearts to the need of taking the gospel to the Jewish people, both in the location the Lord will give them to serve in as well as providing this gospel witness through missionaries like myself, who focus on those Jewish communities. I am convinced that capturing their hearts now for this much neglected people group before they graduate will become a natural focus of their service to the Lord once they enter the ministry.

The preparations for our 2027 Israel tour are moving along. I have secured a wonderful guide who I know will give us a great experience! It has been difficult to find someone who comes close to my guide with whom I had worked for more than 20 years, but I believe after the misses I have finally found just the right person! Now we just need to pray this war with Iran ends allowing us to enjoy a wonderful time in the Land of Israel. Please mark the dates, June 14-24, 2027 and make your plans to join us for this unforgettable tour. You will find details on our website at www.ahavathmessiah.com Please feel free to contact me with any questions you may have.

Michele and I remain grateful for your faithful prayer and financial support! We never lose site of the fact that apart from you our ministry could not be possible. Please always remember that it is by your mercy they shall obtain mercy! Romans 11:30-31
